Republican Convention. "The Republican party will hold its state convention at Norfolk tomorrow and it looks like Col. H. W. Anderson, of Richmond, will be the nominee of the convention for Governor. Col. Anderson is the strongest man in the party in the State and a campaign of burdensome tax to be lifted by the Rebublican party will be waged and will entice many independents. If the Democrats want a man who can cope with Col. Ander son on the stump, a man with strongly urge them to vote for the Democratic hosts, Hon. Harry St. George Tucker. If the Democrats vote for Tucker

Taxes

If the tax-payers of Appotax tickets they will find that they paid for county and disdred dollars worth of property, for the year 1921 they paid for the same property \$1.80 per liable authority for the year of 1921 in Stonewall and Clover Hill Districts it will be \$1.90 per hundred and the capitation tax will be raised from \$1.50 to \$2.00 all over the county. So it is getting higher and higher until it is almost unbearable.

From a recent report of the Auditor of public accounts we find that the average assessed value of property in Appomattox is as follows: Horses \$75. 54; cattle \$22.77; sheep \$8.18; hogs \$6.05; buggies \$19.74; automobiles \$259.60; watches \$8.93; clocks \$6.22; pianos \$70.-

In Wythe county, the home of Senator Trinkle we find the assessed values as follows: Horses \$47.79; cattle \$20.96; sheep \$3.52; hogs \$3.22; buggies \$12.32; automobiles \$159.72; watches \$4 12; clocks \$2.15; pianos \$40.84.

We know that horses, sheep &c., are more valuable in Wythe than in Appomattox, yet are assessed in some instances twice as high here as they are in Wythe.

If Trinkle is elected governor he will be chairman of the tax board. Is it natural to suppose that he will do anything to the prejudice of his home county, no indeed, you need not expect it. The only remedy the taxpayer has against those almost confiscatory tax-tickets is the ballot bex. It (Mr. burdened tax payer) you want to reduce these high taxes then vote for Tucker. A hint to the wise is

The School Boards and the Supervisors are in session here today and there are many delegations here petitioning for schools, among them a strong delegation from Piney Ridge, where the school is about to be closed definitely unless the decision reached by the dis trict trustees can be changed in some way. The Supervisors are putting on the brakes and declare that rigid economy will be insisted upon in the appro priations for some time.

Colds & Headache

'For years we have used Black-Draught in our family, and I have never found any medicine that could take its place," writes Mr. H. A. Stacy, of Bradyville, Tenn. Mr. Stacy, who is a Rutherford County farmer, recommends Black-Draught as a medicine that should be kept in every household for use in the prompt treatment of many little ills to prevent them from developing into serious troubles.

THEDFORD'S **BLACK-DRAUGHT**

"It touches the liver and does the work," Mr. Stacy declared. "It is one of the best medicines I ever saw for a cold and headache. I don't know what we would do in our family if it wasn't for Black-Draught. It has saved us many ... I don't see how any family can hardly go without it. I know it is a reliable and splendid medicine to keep in the house. I recommend Black-Draught highly and am
